

The ACM90 Cassette box is a further compliment to the Acmeda Roller Blind range, it adds a stylish finishing touch to a Roller Blind by enclosing the mechanisms and fabric from view into a smart and sleek colour coded aluminium box.

Designed to accommodate single and multiple blinds operated by chain winders, spring motors & motors.

Features & Benefits

- Smart, sleek aesthetically pleasing design
- Fully enclosed headbox, covering front, back and underneath of blind
- Option to have multiple blinds in a common cassette
- Minimised end caps reduce obstruction on face of cassette
- Interlocking two piece aluminium extrusion allows cover to be added last or removed individually for maintenance of blind (see example on reverse page)
- Ability to install Cassette & Blind independently
- Universal Face or reveal fit
- Plastic colour coded Grommet Clip for chain hole
- 3400mm drop (may vary depending on fabric - roll size 75mm)

System Compatibility

- Easy-Lock Chain Winders - 32mm, 38/40mm & 43mm
- Easy-Lock Spring Motors - 32mm, 38/40mm & 43mm
- Easy-Lift Chain Winders with Booster - 38/40mm & 43mm
- Easy-Link - Intermediate Brackets - 38/40mm & 43mm

Available Colours

- Silver Anodised

Assembly & Installation

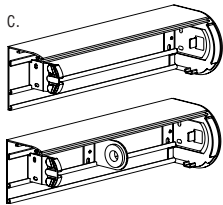

Assembly

- Push Cassette Cover Cap onto Cassette Back.
- Slide Easy-Lock Installation Bracket along channel of Cassette Back.

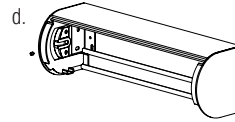

- Position Easy-Lock Installation Bracket into recess of Cassette Cover Cap.
- Secure Easy-Lock Installation Bracket with Grub Screw.

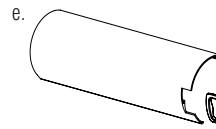

- Slide remaining Easy-Lock Installation Bracket along channel of Cassette Back.

NOTE: Additional brackets - such as an Intermediate Bracket can be located and secured in the same manner as the Easy-Lock Installation Bracket.

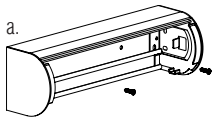

- Push Remaining Cassette Cover Cap onto Cassette Back.
- Position Easy-Lock Installation Bracket into recess of Cassette Cover Cap and secure with Grub Screw.

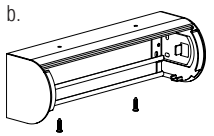

- Slide Grommet Clip into hole of Cassette Cover.

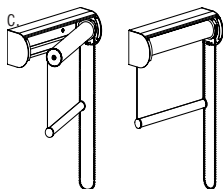

Installation

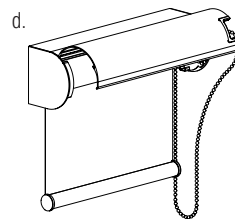

- Drill holes at evenly spaced intervals in Cassette Back to mount ACM90 Cassette Box.
- Mount and secure ACM90 Cassette Box to wall with screws.

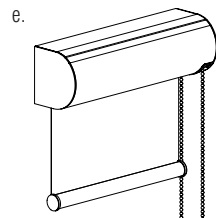

- Alternatively, mount ACM90 Cassette Box to ceiling/reveal.

- Add Roller Blind Components to Easy-Lock Installation Brackets inside ACM90 Cassette Box.

- Slide Cassette Cover inside groove of Cassette Back. Ensure chain is positioned inside Grommet hole, then lock Cassette Cover firmly in position by engaging and clipping over Cassette Cover Cap.

- The ACM90 Cassette Box is ready to use
